## **Prepaid Croquet Lesson**

As you are most likely aware, we surveyed the membership last season to determine the level of interest in having each member add \$100 to their membership to provide compensation for our croquet professional, at the time Wayne Davies. In answer to the survey, 2/3 of the respondents offered to contribute the additional money. Since that time we have arranged for a different professional, Simon Jenkins, who will be with us full time from the opener to the end of March.

Rather than making the additional \$100 mandatory we have decided to make it optional, AND Simon has agreed that each \$100 will pay for a one hour private lesson in whichever version of the game one might select. Feel free to purchase more than one lesson. Simon is fully certified by the USCA in American, Association and Golf Croquet. We are hoping that everyone will take advantage of this opportunity to take lessons from a really great guy and to guarantee that we have a fully qualified and certified croquet professional on staff throughout the season.

## **Donation toward Club Pro**

Should you feel generous and do not want the lesson(s) we would happily accept a donation toward the cost of having a club professional on board.
